8. Read the given passage and answer the question:

Falling Asleep

By B. J. Lee

I go to bed.
I close my eyes,
but specters
in my mind arise.
I punch my pillow,
toss and moan.
Clearly, I
am not alone.
I crack an eyelid,
scan the room –
that's when I see
dark shadows loom.
I rub my eyes
so hard they burn.
I crumple up
my sheets and turn.
I struggle, wrestle
through the night,
then, finally,
at dawn's first light:
as sunbeams 'cross
my window creep,
I shudder twice
and fall asleep.

How long does the person in the poem stay awake in bed?

- a) The person stays awake for an hour or two.
- b) The person stays awake until midnight.
- c) The person stays awake until morning.
- d) The person stays awake until dusk.

Achiever's Section
