## What makes us Asia's Most Innovative Olympiad?

CREST Olympiads is the most innovative among all the Olympiad conducting organizations across Asia. **Who are we to claim ourselves the most innovative Olympiad?** Well, it's not us, it's our lovely students and educators who say this.

There was a survey conducted to compare Asia's most prominent Olympiad Exams. To our surprise, we got these amazing results. The word cloud image to the left shows how customers define CREST Olympiads in adjective(s). By looking at the image, it is concluded that we're able to deliver premium quality content that enhances kids' creativity, innovation, etc. through CREST Olympiads exams. We are here to create the innovators of tomorrow.

The word cloud image to the right shows brands that people associate with CREST Olympiads. Few of them related us to Apple, some to Audi, many to Google and so on. You just name a premium or luxury brand and it's there. Well, we know, we are a premium brand, but it's never a bad idea to hear good things about you from someone else. We encourage you to take a **free trial** on our platform to experience the uniqueness of this exam by yourself.

## CREST Olympiads vs Traditional Olympiads

	<b>Traditional Olympiads</b>	<b>CREST Olympiads</b>
Mode of Exam	Pen & Paper	Hybrid (Online and offline)
Exam Format	A mix of theory & practical	Focus entirely on conceptual understanding
Exposure	Students primarily from specific geography	Large percentage of international participants
Practice Tests	No practice tests before exam	Complementary practice tests conducted online
View Answer Keys & Challenge	No option to view answer key & challenge	Parents can see student's answers & challenge questions
Access to Olympiad Organization	Generally not available	Invite parents & students to write to <a href="mailto:info@crestolympiads.com">info@crestolympiads.com</a>
Inclusivity	No opportunity for 'Special Needs' students	Special privileges to 'Special Needs' students

## Objectives

### Give Wings To Your Child's Innovation

We proudly say we are taking innovation far beyond for students through the medium of these Olympiad exams. The set of questions framed in the question paper requires your innovative approach, creativity, imagination, clear understanding of concepts, etc. to solve the questions in the exam. The main vision behind this is to expand the thinking ability of students to make them capable to come up with futuristic solutions for today's problems.

### Test Understanding Of Concepts

**CREST Olympiads** with the quality of its incomparable questions in Olympiads, is purposely serving students in building a strong foundation of fundamental concepts. The questions asked are application-driven, which tests students' command over the application of concepts.

### Stepping Stones For Future Competitive Exams

Participating in **CREST Olympiads** gives an insight into the competition that exists outside the school. Early exposure to competition subjected through Olympiads proves to be the foundation for students preparing for exams like **SAT, JEE, NEET, etc.**

## Exam Fee

For grades **KG-10**, the exam fee for each subject is **\$15 (US Dollars)** for students studying and residing outside of India. The fee includes **2 online free practice tests** and **free ebook(s) for the subject(s)** enrolled. (Ebooks are only available in Maths, Science, English & Reasoning for Grades KG-10).
